Public Holiday

Issue No. 4: March 27th 2019

From the Principal

It has been great to see so many of our students picking up their swimming and water safety lessons from where they left off last year. Along with practising the different swimming strokes, the Senior Class practised their rescuing and survival skills. The Junior Class have been practising putting their heads under water and kicking whilst under water. It is also wonderful to have our kinder students join us and enjoy their time at the pool.

End of Term Assembly

Our end of term 1 assembly will be on Wednesday April 10th at 2:00pm in the Multi-Purpose Room. All family and friends are welcome to join us and celebrate with the students some of their learning from the term.

Bike Education

The whole school will be participating in Bike Education on Monday April 8th. Please ensure that your child is wearing trouser/shorts and sneakers that day.

Premier's Reading Challenge

The Premier's Reading Challenge starts on the first day of Term 2. Last year we had 100% of our students successfully participate in the challenge. It would be wonderful if that was the case again this year! Don't forget to bring back your Home Readers to earn your awards for every 25 nights of reading.

Reminder

The last day of Term 1 for students is Thursday, April 11th with Friday being Statewide Moderation for all teachers.

Please be aware that there is Industrial Action planned for Tuesday April 2nd that will impact on the finishing time for our students. This may mean that students will be finishing earlier on that day. There will be a notice going home as soon as we get more information from the Minister.

Rochelle Cunningham – Principal

Launching Into Learning News

We have had a wonderful start to the year in 'Launching into Learning' with lots of new families joining our group. This term we have been focusing on mini beasts. We have been singing, dancing, making, finding and studying the little creatures. Every week we have focused on a particular mini beast. We loved being bad tempered ladybirds and busy bees. Please come along with your families and join us on Wednesday mornings between 9:00 and 10:30.
