Outdoor Classroom

Spring has Sprung! And so have the coughs, colds and sore throats! Thank you to our parents for communicating with us regularly when your child was absent. It is important that we enter their attendance data accurately each day. If your child is going to be away sick for up to 5 consecutive days we ask that you seek a medical certificate and bring it to the office on your child's return to school.

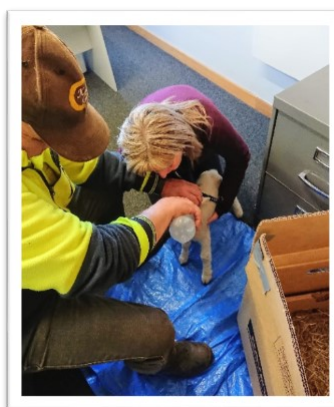

The office is contactable via phone, our Facebook page or email. Please don't hesitate to talk to us if you have any queries.

Hats

Students will be required to wear school hats at recess and lunch from next week, week 8, in accordance with our sun-safe policy. Senior Class will also be required to take their school hats to camp.

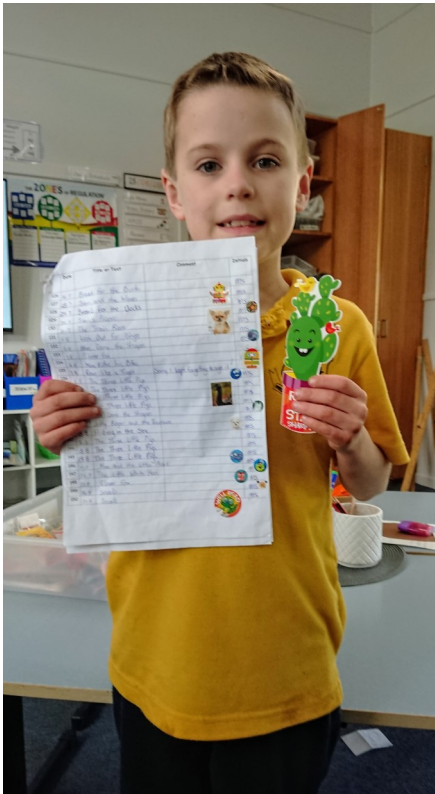

Lambs

We now have 5 healthy lambs to add to our school farm. Thank you to Mr Clark who has taken on the role of 'surrogate ewe' to hand feed a rejected lamb. Having a school farm is a wonderful privilege for our students but extra work for staff and our Farm Committee members, especially at lambing time. Thank you to everyone, each year, who willingly takes on these extra responsibilities!

Junior Class

The Junior class has been developing a variety of brain processes in order to interact with “Where’s Wally”, “Spot What” and “I Spy” books. Can you solve these Spot What puzzles we made?

Can you find an Elsa eraser, a green train and five crocodiles? Can you see some green scissors, two letter “I”s and a purple letter B? Can you spot two puzzle pieces, a green triangle and a coin? Find a girl, a green texta, a toy chip and a blue pencil.

Jonty, Jacob, Amelia

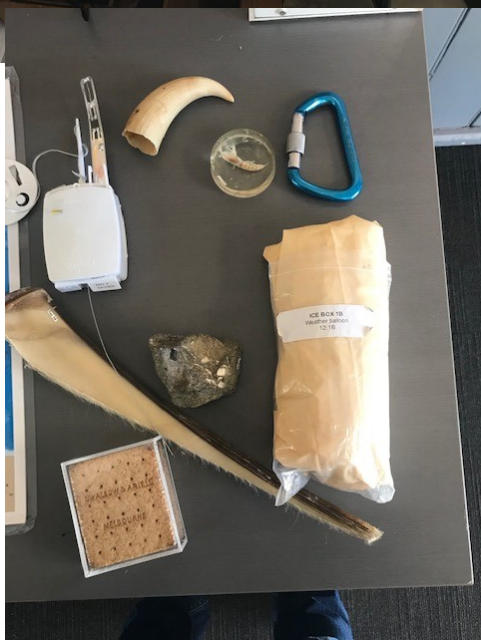

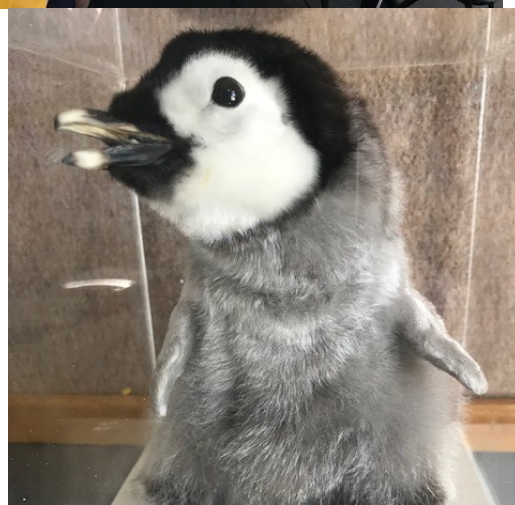

Can you find two bears, a hexagon, a peg and a green bead? Find a knife, the number 10, a puzzle piece and a kangaroo. Spot a yellow circle, a hairpin, a card, an eraser, a digger and a chair.

Jack, Logan, Alfie

Senior Class

The senior class has been learning all about the History of Antarctica as part of the HASS work. We were privileged enough to receive a visit from a 'real life' Antarctica expeditioner, Bill! We learnt a lot about everyday life in such a hostile environment, including how you go to the toilet when you're away from base! We have also been studying many Artefacts from the Antarctica Suitcase on loan from the Tasmanian Museum and Art Gallery.

School Clean Out

Mr Clark has been sorting out our cellar underneath the school and we have surplus items that we would like to clear. We will be taking some to the Wilmot Market on Saturday. Please let us know if you would like to buy anything. Feel free to make an offer.

Swivel Computer Chairs - 7

Children's University Graduation

We are very excited for our 2019 Children's University Graduates. These Wilmot Primary students have completed at least 30 hours of extra learning out of school, showing dedication to our school value 'Self-Motivated' learner. Also a BIG thank you to our families for encouraging and supporting their participation.

Congratulations to our following students, who will be graduating on September 17th.
