September 27th

Footy Colours Day

Last day of Term 3

As the saying goes: *Time flies faster than the weaver's shuttle! As the shuttle flies a pattern is woven. The shuttle of time also weaves a pattern of which the threads are people, buildings and events.* I can't believe half a year has gone by. The last five weeks have been a most memorable and delightful experience for me as Acting Principal of Wilmot Primary School, I have thoroughly enjoyed it!

It's certainly been a busy time for the students, engaging in whole school excursions to the Arboretum where children were engaged in a diverse range of activities from bush walks through native forest reserve areas including fungi and bush food identification to platypus and bird viewing; They also engaged in some nature weaving activities. The other excursion children from Kinder to Grade 6 attended was the Mary Poppins JR. production by Geneva Christian College in Devonport which they thoroughly enjoyed.

Reports have also been sent out to parents of students in the junior class and parent teacher interviews took place in the afternoons after school with Mrs Baker over three days in week 9. Reports for the senior class will be distributed in early term 3 with parent teacher interviews taking place then.

Mrs Smith has been working with some of the senior class members in the 150 choir where these students practice weekly with students from Forth Primary School. This will culminate in a performance in Term 3 at The Paranal Centre in Devonport in September.

We have also been very lucky to have Mrs Fisher, from Learning Services attend our Healthy Lunches program as well as our end of term assembly. She mentioned to me that she was most impressed by the student's performances and running of the assembly by the senior class.

The Dance Challenge, which Wilmot PS will compete in at the Ulverstone Basketball Stadium, will involve students competing with other schools. All the weekly practice with Brendan and Lana will surely pay off.

Finally, thank you to everyone in the school community who has made me feel so welcome. A very special thank you to Raelene Miles the School Business Manager who has helped me immensely to ensure the effective running of the school while Rochelle has been away. Also to the teachers, staff and students, I have thoroughly enjoyed my time here at Wilmot Primary School and I'll certainly miss you all.

I hope you all have a wonderful two weeks break!

Chris Nock

Acting Principal

PE Fun

Brixhibition

The winners of the Brixhibition, which involved students creating lego designs, were Harley in the junior class and Archie in the senior class. Well done to these two students whose creations will now be judged in Ulverstone.

Basketball Clinic

DEPARTMENT OF
EDUCATION
learners first

Launching Into Learning

The LiL group were challenged to construct a bridge for the Billy Goats Gruff to safely cross over the river.

Mary Poppins Performance

It was good because I liked the singing and dancing.

Archie

I liked Mary Poppins because it was very interesting and tense. I really liked Bert and Mary because they were very nice .

Toby

I really liked the acting and how funny it was. I thought the costumes were very colourful.

Natalie

I liked the costumes, the acting and the voices. I really liked when Mary Poppins came up to us and asked if we would like a photo with her.

Taleah

I loved it because we did a Mary Poppins play a long time ago.

Thomas

My favourite part of Mary Poppins was when Mrs Alexander yelled at the boy to clean the floor properly. Also when they spelt out supercalifagilisticexpialidocious, because hardly anyone could spell it.
