ISSUE NO. 5: APRIL 10TH 2019

FROM THE PRINCIPAL

It seems like it was only last week that our students were arriving for the first day of school for 2019. Now we are finishing up Term 1. Time certainly flies when you are busy learning!

Everyone had a great time during Bike Education this week. We learnt some important bike handling, skills for using our brakes, along with signalling when on the road. There are pictures within this newsletter.

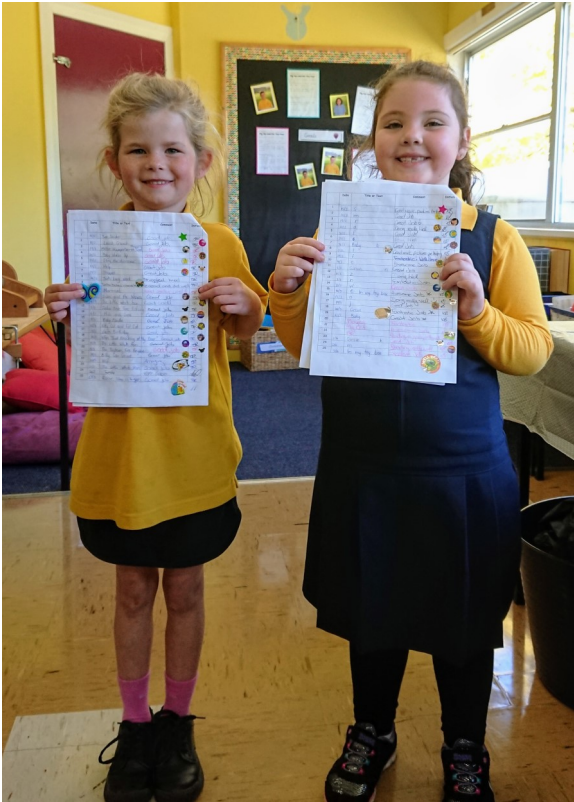

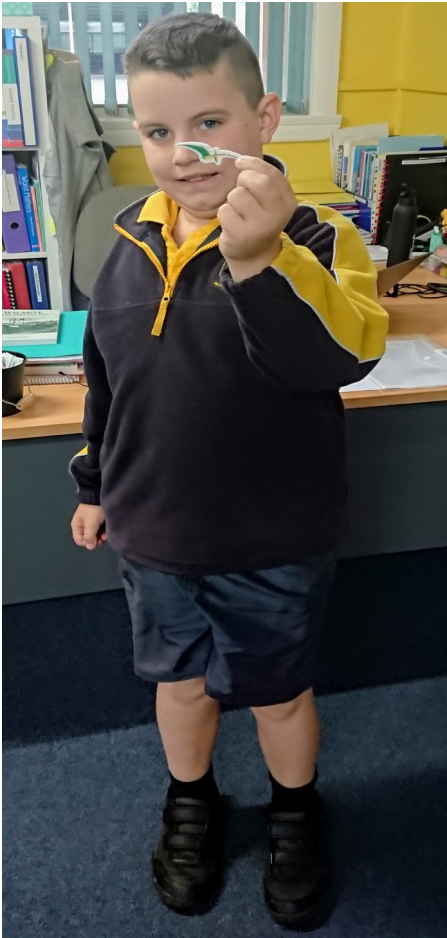

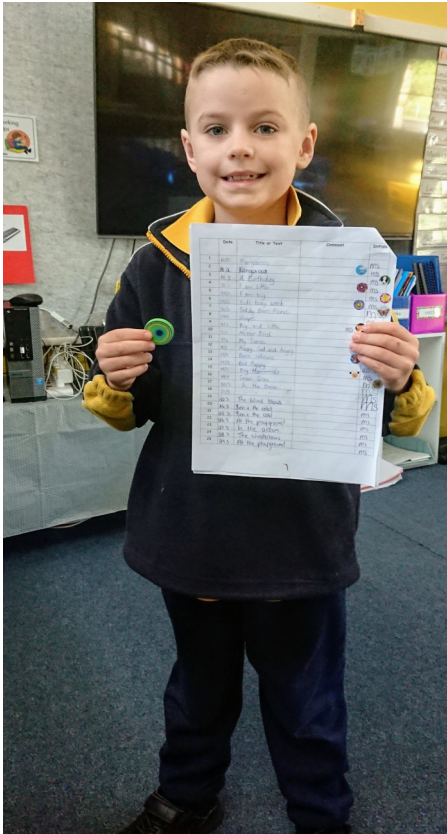

If any of our families are planning to attend the Wilmot ANZAC Day service in the school holidays, students are invited to wear their full school uniform and help lay a wreath on behalf of the school.

In the first week of the school holidays, the internal walls of the main school building will be painted. Look out for the pictures in the first newsletter back! There will also be a Term 2 fridge calendar sent home in the first week back next term.

On behalf of all of Wilmot Primary staff we wish everyone a safe and happy holiday!
