Last day for students

December 20th

Last day for staff

I hope everyone had a relaxing extra-long weekend, possibly the final respite before the mad rush to Christmas! Even though the end of the school year is rapidly approaching we have some important learning and celebration of learning ahead including; sharing of the Kinder Portfolios with Kinder families, the Senior Class have their final Educational Research Project Expo and End of Year Reports. I would like to congratulate all students on being Self-Motivated Learners during testing week last week. Once staff have looked at the data we will be sharing this with families.

Fire Brigade Dinner

A reminder that the major school fundraiser is fast approaching, Saturday November 23rd, and we would really appreciate any parent who is able to donate food or time. If you are able to do so please contact the office. Raelene has foil trays available for anyone who would like them.

Social Worker Visit

Libby Beyerle, Social Worker with the Department Of Education, will be visiting our school on the morning of Wednesday November 20th. Libby is a wealth of knowledge and is available to chat one to one with parents about any questions or concerns that you may have about your child. If you would like to make an appointment to chat with Libby please contact me.

Golf Excursion

Students have been practising their golf skills with Peter (Forth Target Golf) and will be heading to the target golf range on Thursday November 21st. A permission form with more details will be sent home soon. Photos of the sessions are in this newsletter.

2020 Levies

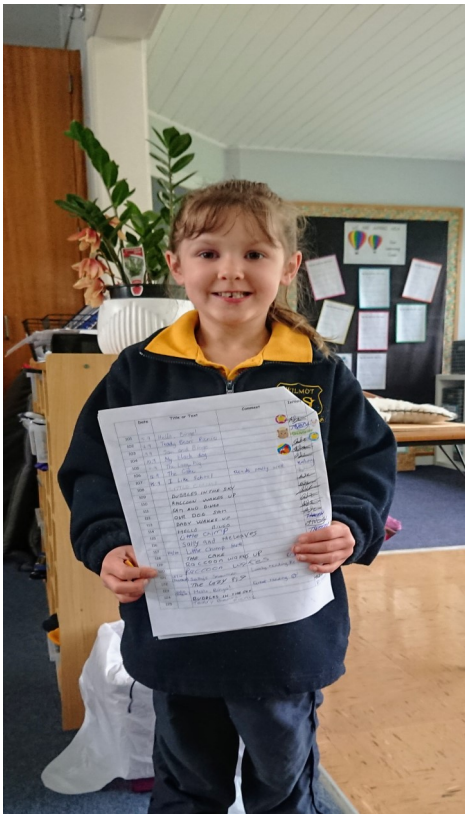

Levies for 2020 have been ratified by the school association and are as follows:

Kinder-\$100

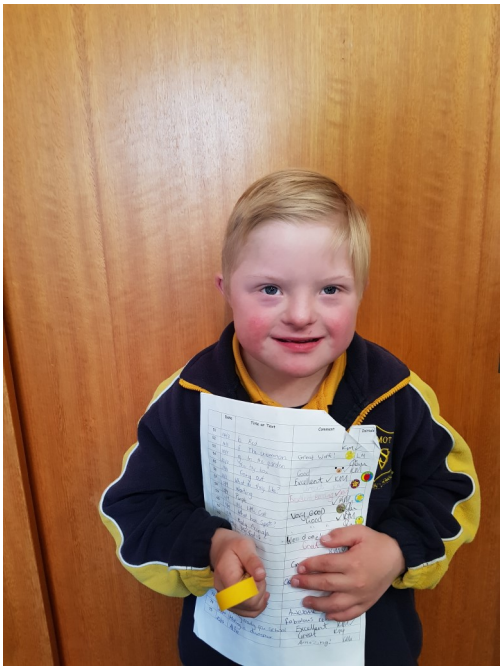

Prep to Year 6-\$200

If you have any questions or would like further information on payment options please contact Raelene Miles in the school office.
