### FROM THE PRINCIPAL

It has been great hearing from families over the holidays and the beginning of this term on how the learning at home is going. The great times and the challenging times! We really appreciate the pictures and regular updates. Please keep checking your emails for regular updates, as this will be how we communicate times and details for video conferences, which we will be starting next week.

If circumstances at home change and your child/children need to return to school, please contact the office at least the day before.

Please contact us if you have any concerns or questions about your child's learning and keep sending us those fabulous pictures!

Stay Safe.

## **School Chickens**

Our chickens have grown so much over the holidays. They are almost as big as their mother.

## **Kitchen/Garden**

Today in the kitchen garden we harvested the sweet corn and potatoes. After that we gathered the ingredients for our soup. We got cherry tomatoes, green capsicums, sweet corn, silver beet, rosemary, thyme, basil, onion, garlic, potatoes and purple beans. We cooked the soup on the barbecue. The soup turned out amazing, it was delicious. I gave it 10 out of 10! It was fun just having kitchen garden all day, I loved it!
